Court convened via phone conference. The parties discussed the possibility of further proceedings by Zoom but Defendant indicated preference for in person proceedings. As the case was initiated by an information, the Court indicated that the motion for extension of time to file pretrial motions (ECF 8) would be denied as moot given the parties' agreement that there were no speedy trial clock implications at this time. The AUSA indicated she would discuss with Defendant's counsel the possibility of conducting future proceedings by Zoom. Court adjourned.
